Subject : Thank you Letter

To. **Dr. Momoyo Azuma, Ph.D**  
**Head of Departement of Infection Control and Prevention,**  
**Tokushima Univerrity Hospital, Tokushim a, Japan**

Greeting from Yogyakarta

Dear Dr. Azuma,

I am writing this letter on behalf of the Master of Hospital Administration Program to thank the Department of Infection Control and Prevention at Tokushima University Hospital for the internship program. This program has provided our students with valuable opportunities to learn and gain practical experience in the Department of Infection Control and Prevention at Tokushima University Hospital in Tokushima, Japan.

Our students were grateful for the opportunity to collaborate with your team from Monday, January 16, 2023, to Friday, January 26, 2023. Your team's professional advice and assistance have helped our students learn the best ways to do things in their field. Also, we would like to thank everyone who made our students feel welcome and made them feel like they were at home while they were in Tokushima. When they worked in your department, they were surrounded by Japanese culture and had an experience they will never forget.

We hope that this collaboration will continue and grow stronger in the future. We're excited to find more ways to work together and share our knowledge and skills to improve the healthcare field.

Thank you once again for your support, and we hope to have the pleasure of working with you shortly.

Sincerely,

**Dr. Elsy Maria Rosa, M.Kep**  
Head of Master of Hospital Administration Program
